This shipment confirmation is to confirm that Hill Bros. Logistics, Inc. MC#290643 is a licensed ICC broker of property. Our relationship with your company is that of a property broker (not motor carrier) for the purposes of arranging the transportation of goods by you the Independent contract carrier. This agreement between Hill Bros. Logistics, Inc. and your company states that you will be responsible for: In-transit updates, acceptance of digital tracking/tracing through Trucker Tools ONLY and submitting load accessorial requests and receipts within 24 hours after delivery. In-transit updates state the carrier will proactively communicate any issues with on-time pickup or delivery. Failure to adhere to any of the listed above could result in a deduction of \$100 to the linehaul rate and may jeopardize our ability to provide detention at shipping and receiving locations. The weight on this shipment tender is an estimate. Hill Bros. Logistics and your company agree that you've been hired for the exclusive use of your Trailer. Any additional questions please refer to your signed HBL carrier onboarding contract via Highway.

If seals are required, please make sure to write seal numbers on the BOL before leaving the Origin/Shipper. In addition, a minimum of 3 seals are required, unless otherwise notified by Hill Bros. Bulk.
